

# Big Scrub Landcare

Version 3 – 11 May 2017

**INSTRUCTIONS FOR FILLING IN THE SURVEY:** \* If you are filling in this survey electronically please insert a ✓ next to your correct answer. You may cut and paste the ✓ from here. Alternatively you may prefer to print the survey and write on it, scan it and send it back to us.

**NOT SURE HOW TO TYPE INTO A PDF? FOLLOW THESE INSTRUCTIONS**

1. Download the PDF and save it on your desktop.
  2. Open the PDF from your desktop (it should automatically open using Adobe Reader).
  3. Go to **View > Tools > Fill and Sign** (open Fill and Sign)
  4. Use the toolbar across the top of the document to 'add text' or 'add a checkbox'.
- Don't have the latest version of Adobe Reader? It's free and available for download here: <https://get.adobe.com/reader/>

## RAINFOREST RESTORATION PROGRAM - LANDHOLDER SURVEY

All names, identifying features and other data relating to individual landholders and their properties provided to BSL in this survey will be treated as strictly confidential. The data will be aggregated to provide regional information. Regional maps may show the location of remnants and other restoration sites. Maps showing the location and names properties or their owners that will be worked on during a project may be developed and provided on a confidential basis to the grant provider when required.

<b>Name:</b>	
<b>Address:</b>	
<b>Email:</b>	
<b>Lot &amp; DP:</b> (if unsure – these details can be found on your Council Rates notice)	

1. Do you have a patch or patches of rainforest vegetation on your property?			
Yes	No	Unsure	
<p>If Yes: Go to question 2</p> <p>If No or Unsure: <b>Do you want assistance in identifying and establishing native vegetation?</b></p>			
Yes		No	
Go to question 3			
2. Is the patch re-established vegetation or do you perceive this to be a remnant?			
Re-established (either by natural re-growth or by targeted planting)	Remnant (the rainforest has never been cleared)	Combination (of Re-established & Remnant)	Unsure
<p>If remnant vegetation: <b>What is the area of remnant vegetation (ha)?</b> .....</p>			
<p>If Re-Established Vegetation: <b>What is the area of re-established vegetation (ha)?</b> .....</p> <p><b>Is it planned to use any of this area for forestry (e.g. rainforest cabinet timber)?</b></p>			
Yes	No	Unsure	
<p>If yes: <b>What area do you plan to use for forestry (ha)?</b> .....</p>			
<p>If remnant or re-established vegetation: <b>Is your remnant or re-established area fenced to prevent stock access to it?</b></p>			
Yes	No	N/A	

**What is the estimated time in hours you have invested annually for rainforest restoration (remnant care and re-establishment) (hours)? .....**

**And of those hours, what percent was undertaken by a paid professional (%)?**

..... %	Unsure
---------	--------

**3. Have you received assistance for your rainforest restoration through a grant?**

Yes	No
-----	----

*If yes:*  
**Which grants have you received? .....**

**4. Are there any barriers to you undertaking rainforest restoration?**

Yes	No
-----	----

*If yes:*  
**What are the barriers?**  
.....  
.....  
.....  
.....

**5. Are you undertaking assisted regeneration on your property (e.g. tree planting, weed control, conversion of camphor to rainforest)?**

Yes	No
-----	----

*If no:*  
*Go to question 6*  
**What sort of assisted regeneration has occurred on your property?**

Weed Control <b>What weed species have you targeted?</b> ..... .....	Planting <b>How many plants have you planted in your assisted regeneration (number)?</b> ..... .....
---	---

**Are you linking two remnants, expanding an existed remnant or creating a new patch of native vegetation?**

Linking	Expanding	New Patch	Combination
---------	-----------	-----------	-------------

**6. Would you like to receive information or training in rainforest restoration?**

Yes	No
-----	----

*If yes:*  
**What areas do you want more information or training in?**  
 .....  
 .....  
 .....  
 .....

**7. Do you carry out any farming activity on your property?**

Yes	No
-----	----

*If yes:*  
**What type of farming activity?** (e.g. beef cattle, macadamia, other horticulture other (please describe)  
 .....  
 .....  
 .....  
 .....

**8. Is there additional information you would like to add to this survey?**  
 (Please write below)
